***“FOR ALL  
Your Fencing Needs”***

*Let our design  
team help you  
create a fence  
that exceeds  
your expectations.*

***Our mission:*** At Carter Fence our customer's satisfaction is our number one priority. We are proud to say that we have been serving our community for the past 19 years. We are dedicated to bringing our customers the highest quality materials available from manufacturers and suppliers. Our facility houses an extensive line of products. We stock residential, commercial, and industrial fence materials. Because of our long lasting relationship with the suppliers and manufacturers we have established a buying power unsurpassed in our area. Our suppliers are regarded among the best in their industry.

Carter Fence Company brings you the top quality, top service, for the best price. We will gladly help you with all your fencing needs. Here are just a few of the lines we carry.

# For ALL Your Fencing Needs

# PVC

*Vinyl fence is among the most durable, versatile and practically maintenance free fence material available.*

---

*From the traditional charm of White picket*

*To solid and semi solid privacy fence*

- Custom Fence
- Custom Gates
- Pool Enclosures
- Dumpster Enclosures
- Residential & Commercial

Free of: screws, nails and splintering. PVC will never mold, warp, rot, or attract termites.  
*You will enjoy a worry free fence for a lifetime.*

# Top Quality Aluminum

- The look of wrought iron
- The durability of aluminum
- Low maintenance
- No design limitations
- Wide selection of standard colors, styles and embellishments
- Custom fabrication
- Custom color

***And the list goes on ... The benefits are impressive. While it is esthetically pleasing, aluminum fence and gates add to the value of your home and place of business. Most importantly, it will add peace of mind. Aluminum fence brings you a feeling of security, safety, and elegance that is unmatched. When you see an aluminum fence, you get a sense of assurance that it will last for many years to come.***

# Chain Link Fence

*Safety and beauty all at once,  
at a very reasonable price.*

**CHAIN LINK ...** it's not what it used to be

Chain link fence is not what it used to be. You can now choose from several colors of chain link fence. With color vinyl coating, the traditional galvanized becomes more versatile for landscaping, security and cost while adding longevity to the material.

# The natural beauty of a Wood Fence

We offer a range of wood quality, sizes, types and style of wood fencing. The beauty of wood alone is the #1 reason many people select the material.

## *But that's not all!*

With the advances in technology, some of the earlier downfalls of wood have been decreased; such as warping and rotting.

### *Important information to ask when you request an estimate.*

- Is it stick built (piece by piece)? Or is it installed prefabricated in sections?

Carter Fence does not use pre made section/panels. Instead, our fences are stick built, piece by piece. All the nails used to build the fence are ring shank galvanized.

We build our fences to the toughest specifications. Our wood fence will stand the test of time.

# Trex

## The new alternative to wood

Do you wish you could have the look of wood, but the durability of vinyl?

You can! Trex fence gives you all that and more ...

Trex composite products are made of a unique combination of wood and plastic fibers. Not only is Trex appealing to the eye, but it's durable and practically maintenance free.

- Trex fence passes the Miami / Dade County Florida wind load certification tests of 110 mph steady state winds and 130 mph wind gusts.
- Trex uses plastic and wood fibers from reclaimed or recycled resources.

**BEAUTIFUL  
LONG LASTING  
ENVIRONMENTALLY FRIENDLY**

# Construction Fence

We offer temporary fencing to our residential and commercial customers. Whether you need a galvanized chain link fence or industrial chain link fence, we can make it happen. We also offer temporary vinyl coated and wood fencing.

We install, remove, and service temporary fence. Our terms, conditions, and pricing are straight forward. No hidden surprises or unexpected costs.

- Job site security
- Safety and Security during construction of pools
- Large Events

Construction fence offers all the safety and security of a permanent fence. When you need it removed, just call us. We will send a crew to remove it.

# Dumpster Enclosure Gates

#1 in custom-made dumpster enclosure gates!!!

Carter Fence Company is the #1 name in custom-made dumpster enclosure gates. All gates are manufactured by our skilled craftsmen at our facility. Each enclosure is custom fit. Our most common dumpster gate enclosures are made from 2 inch aluminum framing for support, then covered by our T-11 or tongue and groove PVC for durability. We also manufacture chain link and aluminum dumpster gates. Industrial type drop-rods complete the enclosure by providing strength and aesthetic appeal. Stainless steel hinges round out the remaining hardware providing years of trouble-free use.

PVC

Aluminum

Chain Link

# Gates & Operators

Want to have more than just a fence to bring value to your home, community or place of business? Then why not add a gate. Choose from traditional gates to custom gates. The sky is the limit.

As an option, we also carry gate operators.

- Tele entry
- Keyless pad entry
- Free exit loops
- And more

Commercial / Industrial Properties

Gated Communities

Private Residents, we do it all.
